

Equipment

Cutting mat, scissors, ruler, craft knife, tweezers, small screwdriver, paper glue (Pritt 'pen' or Velpon), bowl of water and a towel.

Instructions

On the building cards you can encounter the following instructions.

6 1/2 HOURS

- Cutting line
- - - Folding line
- - - Fold to front
- - - Cutting-Folding line
- Cut out
- Incise
- Glue flap
- Mounting direction

Tips!

Please read and familiarise yourself with all instructions before commencing with the building kit.

For a better end result push the cutting edges flat with your fingernail.

Test fit the parts before gluing.

Pritt 'pen' is a water-based glue. you can use your fingertip for gluing and then clean them in water. This will prevent glue stains!

Take your time. Don't rush. All timings given are just an indication.
